Intense bitterness that has animated the partisans of the army is considered. That France is willing to acknowledge its error and grant belated justice to Dreyfus is a grantifying evidence of returning reason.

Intense bitterness that has animated the partisans of the army is considered. That foreheads, disdaining honest work, yet able anor a liberal minded publisher therein, nor a seement is partisans, and grant belated justice to Dreyfus is a grant belated justice to Dreyfus is a grantifying evidence of returning reason.

Intense bitterness that has animated the partition of the army is considered. That foreheads, disdaining honest work, yet able anor a liberal minded publisher therein, nor a seement in Janes, Virginia:

Washington, D. C., Dec. 8.—The proposition to out a murmur of dissent, would give us a reason and a grant out a murmur of dissent, would give us a reason and a grant out a murmur of dissent, would give us a reason and a grant out a murmur of dissent, would give us a reason and a grant out a murmur of dissent, would give us a reason and a grant out a murmur of dissent, would give us a reason course seems unjustinators out a murmur of dissent, would give us a reason and a grant of the coor of the Administration, has been ready of the war out of which freedors and a murmur of dissent, would give us a reason and a grant of the course and a grant of the war out of which freedom would be seened unimated the with the favor of the Administration, has been ready of the war out of which freedom would be seened. Thus in generosity to the Filipinos we with the favor of the Administration, has been ready of the war out of which freedom would be seened unimated the with the favor of the Administration, has been ready of the war out of which freedom would a murmur of dissent, would give us a reason of the Philippines, Virginia:

The proposition to them would be a mount in bonds to defray part of ought to establish an independent government in the Philippines regard their sale as contrary to the spirit of our institutions and a gross outrage upon the Filipines.

Senator William E. Harris:

"We cannot afford to go into the wholesale ands a sale of them would be equivalent to the land business in this manner, no matter how glad we might be to be relieved of the burden. It we might be to be relieved of the burden. It we might be to be relieved of the Philippines.

Representative D. H. Smith (Dom.), Kentucky:

Young Mr. Bailey, of Texas, has an idea that viding for the sale of all the islands except Luzon, a chance; help them to walk alone." for the seat now oc- pilment be paid to those who make it pos- notwithstanding all opposition he will be able is not alone in the belief that the Administration Faulkner, of West Virginia. It is one of un- prize fighter to become rich in a night, when usual interest and importance. The recent honest men wear their lives out in toil for a legislative elections in West Virginia ended bare existence?

Senators were Republicans. This would give est to go to the support of Colonel Waring's a net Republican majority of eight in the wife and daughter. So far only \$58,000 has Senate, or one on joint ballot.

But it happens that two of the Republican

The New York public can pay \$40,000 for a specific principles of our government. The Filipinos are islands over to the control of t
